Jeff Gibson, sales representative for Axiom America, with two of his new "best friends," Ashton Mayes (left) and Jaylin Cauthen (right), at the Barium Springs Home for Children Child Care Center on Wednesday morning. Gibson delivered 25 embroidered baby blankets that were donated to the center by Axiom America.

A close-up of the embroidery design on the blankets that were donated to the Barium Springs Childcare Center, by Axiom America, shows a crescent moon and sleeping bear. Axiom America, of Archdale, sells garment decorating equipment, including embroidery machines.
